

## CAD Design Technician

Join a progressive, employee-focused, regional multidiscipline engineering firm offering sought-after benefits: Highly competitive salaries, including paid overtime for hourly employees or comp time for salaried employees, Medical/Dental/Vision/Life Insurance-including company paid coverage for domestic partner, generous PTO, 401K, and CEU opportunities, in-house training sessions, paid professional membership, company activities and events, casual and family-oriented work environment, and more. With 14 offices in 8 western states, Horrocks Engineers has seen a four-year average growth of 32%. Horrocks Engineers provides our employees with the opportunity to **Learn More**, **Do More**, and **Earn More**.

Horrocks Engineers is currently looking for a motivated team player to join our team in Pleasant Grove, UT. Applicant should have an associate's degree or equivalent technical degree as well as Microstation/InRoads and or AutoCad/Civil 3D experience. The position will include drafting and design opportunities with Civil Engineering projects dealing with roadway structural design as well as transportation, municipal, and site development projects. Areas of drafting will include structural detailing as well as plan and profile, site plans, drainage, grading, utilities (profiles), SWPPP, and associated items.

At Horrocks Engineers, we provide our employees with a highly competitive salary and benefits package, 401k, excellent health and dental insurance, vacation, sick, and holiday pay. We provide challenging assignments, superior management, high standards and reputation, and individual achievement is recognized and rewarded. Personal integrity and references are a must. Horrocks Engineers is an Equal Opportunity Employer.

Horrocks Engineers may identify additional skills and requirements for the hiring process. For a confidential interview, send resume to [jobs@horrocks.com](mailto:jobs@horrocks.com). Only applicants selected to interview will be contacted.
