

EXPERIENCED PROPOSAL WRITER/COMMUNICATIONS SPECIALIST

Horrocks Engineers, Inc.

Join a progressive, employee-focused regional multidiscipline engineering firm offering sought-after benefits: Highly competitive salary, including paid overtime for hourly employees or comp time for salaried employees, Medical/Dental/Vision/Life-including Company-paid coverage for domestic partner, generous PTO, 401K, CEU opportunities, in-house training sessions with lunch, professional membership, company activities and events, casual and family-orientated work environment, and more. With 15 offices located throughout 8 western states, Horrocks Engineers has seen a four-year average growth of 32%. Horrocks Engineers provides our employees with the opportunity to **Learn More, Do More, and Earn More.**

- ***Are you a person who loved to create book reports and work on group projects in school?***
- ***Do you enjoy developing winning strategies and writing persuasive and creative content?***
- ***Are you a team player who loves to learn and improve upon existing skills?***
- ***Are you deadline-driven and freakishly competitive?***

If so, then Horrocks Engineers might be the right company for you.

Horrocks Engineers is looking for a career and goal-oriented individual to join our fast-paced and growing Communications Department. The full-time position is located in our Meridian, Idaho, office and requires a minimum of *two years of relevant experience developing marketing proposals and materials in the Architecture/Engineering/Construction industry*. This position requires excellent writing and editing, intermediate Adobe Creative Suite (InDesign), and interpersonal communication skills as well as the ability to follow instructions and work in groups. The Communications Department is responsible for internal and external company communications, which includes: local and regional marketing coordination, project pursuit strategy, writing and layout of corporate marketing materials, public relations/business development, and coordination with and organization of technical teams to meet deadlines. Applicant must have a bachelor's degree in communications, English, marketing, or equivalent.

For a confidential interview, send resume to Lori Pratt at jobs@horrocks.com. Only applicants selected to interview will be contacted.

Preference given to Veterans
