

Bridge / Structural CAD Technician – Horrocks Engineers

Join a progressive, employee-focused, regional multidiscipline engineering firm offering sought-after benefits: Highly competitive salaries, including paid overtime for hourly employees or comp time for salaried employees, Medical/Dental/Vision/Life Insurance-including company paid coverage for domestic partner, generous PTO, 401K, and CEU opportunities, in-house training sessions, paid professional membership, company activities and events, casual and family-oriented work environment, and more. With 14 offices in 8 western states, Horrocks Engineers has seen a four-year average growth of 32%. Horrocks Engineers provides our employees with the opportunity to **Learn More, Do More, and Earn More.**

Horrocks Engineers is currently looking for a motivated team player to join our team in Henderson, NV. The applicant is required to possess an associate's degree or equivalent technical degree and/or have comparative working experience with MicroStation or AutoCAD. The position will include drafting and design opportunities with transportation-related projects including bridge and roadway projects. Areas of drafting will primarily include bridge detailing and assembling of bridge plans. Other areas of drafting may include roadway plan and profile sheets, utility plans, drainage plans, and associated items. Nevada Department of Transportation experience is preferred but not required. The applicant must have knowledge and working experience with Microstation and/or AutoCad. Applicant must possess the understanding and knowledge to assemble working constructible plan sets ready for review by an engineer and be familiar with working with different cad standards for various clients.

We provide challenging assignments, superior management, high standards and reputation, and individual achievement is recognized and rewarded. Personal integrity and references are a must. Horrocks Engineers is an Equal Opportunity Employer.

For a confidential interview, send resume to jobs@horrocks.com. Only applicants selected to interview will be contacted.
